

Jon Shiffman

Jon Shiffman plays for indie-rock favorites Steel Train. He is not your conventional drummer, by any means.

Jon Shiffman started playing drums at the age of 16 and studied jazz and contemporary music at the City College of New York and The New School of NY. He left school in 2005 to tour the US and Europe with bands such as The Format, MC Lars, New Radio, Chris Ayer and many others.

Jon currently plays for Steel Train and has performed the nation's premier festivals such as Bonnaroo and Lollapalooza and even made an appearance on Late Night with Conan O'Brien. Steel Train has recently toured with Ben Folds, Barebacked Ladies, O.A.R., Dashboard Confessional, Gomex, Robert Randolph and many more.
